Confirmation of stainless steel origin

(according to EU Russia Regulation EU 833/2014 and EU Belarus Regulation EU 765/2006)

Dear customers

häuselmann metall GmbH hereby confirms that, to the best of our knowledge, all stainless steel in our stock and/or sold to you does not originally contain Russian steel (EU Russia Regulation EU 833/2014) or Belarusian steel (EU Belarus Regulation EU 765/2006) and may therefore be exported to the EU without hesitation.

We will be pleased to send you the corresponding mill test certificate (MTC) on request.

Should you have any further questions, please do not hesitate to contact us.

Thank you very much for the cooperative collaboration!

Kind regards

häuselmann metall GmbH

Franz Thür
Managing Director
